

## Air Liquide signed an agreement with Lincoln Electric for the sale of its Air Liquide Welding subsidiary

**Air Liquide announces it signed today an agreement with Lincoln Electric France SAS, subsidiary of Lincoln Electric Holdings, Inc. ("Lincoln Electric") (Nasdaq: LECO), to sell Air Liquide Welding, its subsidiary specialized in the manufacture of welding and cutting technologies. This agreement follows the exclusive negotiations agreement announced on March 2<sup>nd</sup> 2017 with Lincoln Electric, the world leader in design, development and manufacture of arc welding products, robotic arc welding systems, plasma and oxy-fuel cutting equipment.**

The completion of the transaction is subject to obtaining the usual regulatory approvals, including competition authorities' approval.

Both parties expect the transaction to be completed in the second half of 2017.

Air Liquide is focused on its Gas & Services activities following the acquisition of Airgas, as well as on the implementation of its company program NEOS for the 2016-2020 period.

### **About Air Liquide Welding**

Air Liquide's subsidiary, Air Liquide Welding is a key player in the manufacturing of welding and cutting technologies. Air Liquide Welding, which has approximately 2,000 employees across the world, has generated in 2016 a turnover around €350 million. It offers, through several internationally well known brands (SAF-FRO and OERLIKON in the industrial field, CEMONT for professionals...), a large range of related equipment, consumables and services on the market.

### **About Lincoln Electric**

Lincoln Electric is the world leader in the design, development and manufacture of arc welding products, robotic arc welding systems, plasma and oxy-fuel cutting equipment and has a leading global position in the brazing and soldering alloys market. Headquartered in Cleveland, Ohio, Lincoln has 47 manufacturing locations, including operations and joint ventures in 19 countries and a worldwide network of distributors and sales offices covering more than 160 countries. In 2016, Lincoln Electric generated \$2.3 billion in revenue.
